

CURRENT ROLES AND RESPONSIBILITIES

BEACON DEVELOPMENT GROUP (2017-Present) Construction Tech

Lucy supports construction managers and housing developers at Beacon in the areas of contract management, data gathering and analysis, marketing, and general project support. She also manages the file-sharing site for particular projects, ensuring that appropriate parties have access to share and receive documents for maximum project efficiency. Lucy works on projects in California and Washington.

PAST PROFESSIONAL EXPERIENCE

SLATE PROPERTY GROUP, NEW YORK CITY Assistant Project Manager

Lucy worked in construction management at Slate Property Group in New York, where she created and maintained budgets, negotiated contracts, assisted with bank draws, and completed weekly walkthroughs to monitor construction progress. While at Slate, she worked on residential and mixed-use rehabilitation projects, as well as mixed-use new construction.

GREENPOINT WATERFRONT ASSOCIATION FOR PARKS AND PLANNING Student Consultant/Grant Writer

Lucy authored a successful grant to fund GWAPP's ecological mission and represented the organization at Community Board meetings, tackling vital environmental and planning issues. She published online content and managed social media for GWAPP.org, supporting citizen education and empowerment.

OFFICE OF THE MAYOR, CITY OF NEW YORK Intern, Department of Education

Lucy organized major public meeting for the Randall's Island Community Access Task Force, participated in GreenNYC and NYC Environmental Service Projects, and received an in-depth orientation to NYC government in action by participating in a broad range of municipal meetings and in a seminar series on city government functions, processes, and issues.
