

ETHAN CANO
HOUSING DEVELOPMENT INTERN

CURRENT ROLES AND RESPONSIBILITIES

BEACON DEVELOPMENT GROUP (September 2024 - present)
Housing Development Intern

Ethan serves as a Housing Intern with Beacon’s Washington-based team, and provides support to other team members in his role. Ethan is excited about creating a more empathetic built environment that improves the quality of life for people across lines of income, gender, sexuality, and race.

PAST PROFESSIONAL EXPERIENCE

Incline Architects (Jan 2023-Sept 2023)
Design Associate

Served as part of a team focused on healthcare-related projects including clinics for individuals with ocular disabilities and rural hospitals. Focused on delivering empathetic design responses to the needs of the patients we would serve. Worked with community members to gather design input to better serve their needs. Led as the architectural visualization specialist in the office.

Mint Architecture (May 2022-Dec 2022)
Draftsman

Gathered experience in the design and creation of projects across a wide range of typologies, including multifamily housing, commercial and retail spaces, coworking, and hospitality. Interfaced with clients to better understand and bring their design ideas to fruition.
